#### Chili Cook-off Official Rules & Regulations

---

1. Chili may be prepared in advance or cooked on site, your choice.
2. Regular commercial chili powder is permissible, but complete commercial chili mixes are not permitted. Thickeners such as corn meal, flour, etc., are permissible.
3. Each team will provide all ingredients, utensils and accessories necessary to cook and serve chili. This includes water for cooking, cook stoves and fuel. Outside cooking is allowed; however, electricity is not available. Quiet generators are allowed.
4. Each Head Chef will be responsible for cooking not less than three (3) gallons of chili. NOTE: More than three gallons of chili is encouraged for winning People's Choice Award.
5. Cooking and set-up will take place at Nemo Guest Ranch from 8:00 am to 10:00 am. You may begin serving your chili for the People's Choice Award at 10:00 am. The public will come to your stand with a cup and spoon.
6. At no time should you leave cooking chili unattended (for safety and integrity reasons).
7. People's Choice awards are determined by how many votes are received by the public. The more chili you make the more votes you are likely to get (stretch your chili out, serve conservatively). The highest number of public votes will determine the winners. Voting ends at 1:00 pm.
8. All cooking must be done in a sanitary manner. Conditions are subject to inspection by the officiating team. Failure to comply is subject to disqualification of the team.  
\*NOTE: The Shriner chili teams present will be competing among themselves for a traveling trophy. There will be no cash prizes for the Shriners.
