February 23th 2019, OUTHOUSE RACE RULES & STRUCTURE

1. Outhouse can only be human powered. No electric, solar, or gas powered assistance. Outhouse must have four walls, roof, doorway, and a seat with at least one hole. It may have a door, but the door must remain securely open during the race.
2. Outhouse must be a minimum of nine square feet at the base, and a maximum overall width not to exceed six feet (including grasping or pushing devices). A minimum height of five feet from the floor to the highest point of the roof.
3. Any number and size of wheels or skis may be used.
4. Any device for pushing or pulling the outhouse may be used except ropes. All pushing or pulling devices must be secured solid.
5. Outhouses may be built from any material but glass and must be structurally sound.
6. Each entry must have an Outhouse name that is to be displayed on each side of the structure. Sponsors names may be displayed anywhere on the outside.
7. There will be three age divisions.

Division 1: 12-25

Division 2: 26-45

Division 3: 46 and over

Age divisions will be determined by average team ages. Add all team members' ages and divide by number of team members.

If you don't have a Racing Outhouse, one can be provided. The Nemo Guest Ranch has a shared outhouse, the **ThunderBox!** Team members can quickly decorate it with their Team's Theme Banners before their race run (staples work best).
